BRIEF ABOUT ME

As a person you'll find me to be outgoing, dedicated and thorough. I'm at my best working in a high pace and I find inspiration in eventful environments. Born and raised in a suburb to Stockholm where I'm located to this day. Animals are a big part of my life and I've always had dogs. Another passion of mine is dancing and performing. Hope to arrange a meeting for an opportunity to learn more about your company and answer any potential questions you may have about me and my qualifications. References and grades are available upon request.
